Subject Index

A

ADVISORY COUNCILS

Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26

Advisory Councils: Postgraduate education and journal editorship (Resnick), 81, 8:25

Advisory Councils: The training of the pediatric surgeon (Rowe), 81, 10:36

Advisory Councils: Workforce issues in otorhinolaryngology for 2010 (Miller), 81, 6:54

Advisory Councils: Workforce issues in pediatric surgery (O'Neill), 81, 4:34

AMBULATORY CARE

Governors at Work: Committee on Ambulatory Surgical Care (Reiling), 81, 1:36

AMERICAN COLLEGE OF SURGEONS

Activities

—ACS and Myriad collaborate in breast cancer study, 81, 9:47

—ACS/German Surgical Society joint meeting: A special mix of surgical and social science (Strauch), 81, 9:49

—Surgeons as Educators course planned, 81, 7:87

Annual Meeting (see also CLINICAL CONGRESS)

—Official notice: Annual Meeting of Fellows, American College of Surgeons, 81, 9:47

Awards

—Dr. and Mrs. Clements receive philanthropy award, 81, 12:76

—Dr. Cooper receives Jacobson Innovation Award, 81, 7:82

—1996 residents' papers winners announced, 81, 7:84

—Washington Chapter establishes Leffall Award, 81, 10:44

Bulletin

—A note to our readers, 81, 1:3

Chapters

—Chapter News: Central Pennsylvania Chapter conducts mock oral boards (Peebles), 81, 8:44

—Chapter News: Chapter visitation program continues in 1997 (Peebles), 81, 12:81

—Chapter News: Chapters contribute to College endowment funds (Peebles), 81, 2:92

—Chapter News: Chapters prepare for Young Surgeon Representatives meeting (Peebles), 81, 12:80

—Chapter News: DC Chapter host all-city grand rounds for young surgeons (Peebles), 81, 12:80

—Chapter News: Florida surgeons' forum established (Peebles), 81, 2:92

—Chapter News: Georgia Chapter holds annual meeting (Peebles), 81, 6:71

—Chapter News: Illinois chapters announce joint meeting (Peebles), 81, 2:92

—Chapter News: Illinois Metropolitan Chicago Chapters meet (Peebles), 81, 8:44

—Chapter News: Indiana Chapter meets in Nashville (Peebles), 81, 8:44

—Chapter News: International chapters host inaugural meetings (Peebles), 81, 6:69

—Chapter News: Massachusetts supporting regulation of managed care providers (Peebles), 81, 2:92

—Chapter News: Metropolitan Washington chapter conducts 13th annual meeting (Peebles), 81, 6:69

—Chapter News: Metropolitan Washington conducts science review course (Peebles), 81, 4:50

—Chapter News: Michigan Chapter dedicates meeting to Alexander J. Walt (Peebles), 81, 8:45

—Chapter News: Ohio Chapter introduces *New Surgeons' Survival Kit* (Peebles), 81, 8:44

—Chapter News: Ohio Chapter surveys residents' debt (Peebles), 81, 12:80

—Chapter News: Ohio reports on surgical panel activities (Peebles), 81, 4:51

—Chapter News: Southern California conducts annual meeting (Peebles), 81, 4:50

—Chapter News: Southwest Pennsylvania announces resident winners (Peebles), 81, 2:92

—Chapter News: Southwest Pennsylvania chapter meets (Peebles), 81, 6:71

—Chapter Officers meet in Chicago (Regnier), 81, 8:34

—Governors at Work: Committee on Chapter Activities (Fratianne), 81, 1:38

—North Carolina, North Texas Chapters host "Day in Surgery" (Gallagher), 81, 11:41

—State chapters hit the Hill (Gallagher), 81, 8:36

—Washington Chapter establishes Leffall Award, 81, 10:44

Clinical Congress

—At Clinical Congress: Liability in various health settings to be examined, 81, 8:39

—Clinical Congress is on the way, 81, 5:49, 6:68

—Clinical Congress 1996 highlights, 81, 12:33

—Commission on Cancer schedules events for Clinical Congress, 81, 9:50

—Contributions to the 1997 Surgical Forum are requested, 81, 12:83

—1996 Clinical Congress preliminary program, 81, 7:29

—1996 Clinical Congress videotapes available, 81, 7:89

—Scientific contributions sought for 1997 Clinical Congress, 81, 12:82

Development
—Dr. and Mrs. Clements receive philanthropy award, 81, 12:76
—1996 resident scholarships and development award granted, 81, 1:43
—Planned giving options (Benson), 81, 3:57
Distinguished Service Award
Dr. Thompson receives top ACS honor, 81, 11:32
Fellows
Dateline: Washington: Fellows appointed to HCFA panels, 81, 2:7
—Fellow receives award for exemplary care, 81, 3:53
—Fellow runs for congressional seat, 81, 4:41
—Fellow runs for U.S. Congress, 81, 8:42
—Fellows and facts, 81, 2:93, 7:83, 10:47
—Fellows in Congress: An interview with Senator Bill Frist, MD, FACS, and Representative Greg Ganske, MD, FACS (Brown), 81, 9:11
—From grandfather to grandson: 69 years of Fellowship, 81, 4:42
—In their own words: Surgeon representatives discuss legislative and regulatory issues, Part I (Brown), 81, 9:21; Part II (Parks), 81, 10:14
—Owen Wangensteen fellowship announced (MacLean), 81, 3:55
—Young Fellow comments on ACS Scholarship Fund, 81, 8:40
Fiscal Affairs
—Life membership option now available, 81, 8:42, 11:42
Governors, Board of
—Governors at Work: Committee on Ambulatory Surgical Care (Reiling), 81, 1:36
—Governors at Work: Committee on Chapter Activities (Fratianne), 81, 1:38
—Governors at Work: Committee on Professional Liability (Fischer), 81, 2:41
—Governors at Work: Committee on Socioeconomic Issues (Tunner), 81, 3:46
—Governors at Work: Committee on Surgical Practice in Hospitals (Smith), 81, 2:42
—Governors at Work: Committee to Study the Fiscal Affairs of the College (Copeland), 81, 3:48
—Report of the Chairman of the Board of Governors (Copeland), 81, 12:41
Headquarters
—As I see it (Ebert), 81, 4:4
—Report of the Chairman of the Board of Regents (Schwartz), 81; 12:40
Honorary Fellows
—ACS awards four Honorary Fellowships, 81, 11:33
—Citation for Professor Santiago Dexeus (Wilbanks), 81, 11:35
—Citation for Professor Tu Guy-yi (Neel), 81, 11:38
—Citation for Professor Yasuo Idezuki (Meakins), 81, 11:37
—Citation for Sir David Carter (Wells), 81, 11:34
Journal of the American College of Surgeon (JACS)
—FYI, 81, 1:48, 2:95, 4:52, 5:56, 6:72, 7:95, 8:48, 9:56, 10:56, 11:48, 12:86
Meetings
—ACS hosts reception at AMA meeting, [illegible], 3:51
—Joint scientific meeting in Germany to be convened in May, 81, 2:62
Officers and Staff
—ACS Past-President Dr. Alexander Walt dies (Schwartz), 81, 4:38
—ACS Past-President Dr. Claude Welch dies (Russell), 81, 6:61
—ACS Regents and Officers, 81, 6:57, 9:43, 12:64
—David G. Murray, MD, FACS, becomes 77th President, 81, 11:31
—Howard establishes Leffall Chair, 81, 4:41
—Mayo endows Beahrs Lectureship, 81, 7:84
—Washington Chapter establishes Leffall Award, 81, 10:44
Presidential Address
—"Some of the King's horses..." (Murray), 81, 12:12
Publications
Keeping Current: How to use *Scientific American Surgery CD-ROM* in your practice (Wilmore), 81, 12:71
Keeping Current: *Scientific American Surgery* goes electronic (Wilmore), 81, 5:46
Keeping Current: Surgery text features new chapters on operative technique (Wilmore), 81, 9:41
Regents, Board of
—Highlights of the Board of Regents meeting, February 9-10, 1996 (Lynch), 81, 4:47
—Highlights of the Board of Regents meeting, June 7-8, 1996 (Lynch), 81, 10:48
—Report of the Chairman of the Board of Regents (Schwartz), 81, 12:40
Reports to the Fellows
—Report of the Chairman of the Board of Governors (Copeland), 81, 12:41
—Report of the Chairman of the Board of Regents (Schwartz), 81, 12:40
Scholarships/Fellowships
—International Guest Scholarships available, 81, 11:46
—1996 ACS Faculty Research Fellowships awarded, 81, 4:44
—1996 international scholars selected, 81, 3:59
—1996 resident scholarships and development award granted, 81, 1:43
—1997 scholarships, fellowships, award notice, 81, 3:61
—1998 travelling fellowship announced, 81, 12:78
—Owen Wangensteen fellowship announced (MacLean), 81, 3:55
—Travelling fellowship offered, 81, 11:39

—A Travelling Fellow's report (Sumpio), 81, 11:44
—Young Fellow comments on ACS Scholarship Fund, 81, 8:40
Spring Meeting
April 14-17, 1996: 24th annual Spring Meeting set for New York, 81, 2:48
Statements
—Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40
—Statement on principles underlying perioperative responsibility, 81, 9:39
Testimony
—ACS testifies at FDA hearing on stereotactic breast biopsy, 81, 12:75
—Dateline: Washington: College testifies before PPRC, 81, 2:6
—In their own words: Surgeon representatives discuss legislative and regulatory issues, Part I (Brown), 81, 9:21; Part II (Parks), 81, 10:14

B

BIOMEDICAL RESEARCH
Biomedical research facts available on CD-ROM, 81, 9:54
Biomedical research meetings set, 81, 2:89
1996 ILAR guide issued, 81, 10:56

C

CANCER
Management
ACS and Myriad collaborate in breast cancer study, 81, 9:47
As I see it (Ebert), 10:4
Cancer awards/fellowships available, 81, 10:54
Cancer representatives visit Kazakhstan (Clive and Rezek), 81, 1:46
Commission on Cancer schedules events for Clinical Congress, 81, 9:50
Suggestions for accreditation of surgeons who perform image-directed breast biopsies, 81, 9:37
Treatment advances
ACS testifies at FDA hearing on stereotactic breast biopsy, 81, 12:75
Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26
Current thoughts on the detection of prostate cancer (Oesterling), 81, 2:33
CARDIAC SURGERY
Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40
COLON AND RECTAL SURGERY
Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26
COMPUTER INFORMATION TECHNOLOGY (see also INFORMATICS)

Legal tips in the managed care age (Palmisano), 81, 5:36
The NPDB and surgical residents (Fischer), 81, 4:22
Preparing for a defense trial? College offers materials that can help, 81, 1:44
Radiologic studies and cost-effectiveness in head injuries (Camins), 81, 8:16

Q

QUALITY OF CARE

Antitrust law: A remedy for poor peer review (Peacock), 81, 3:35
As I see it (Ebert), 81, 11:4, 12:4
Despite all odds: How do we continue to practice good medicine? (Close), 81, 3:23
Monitoring the quality of care: How about a level playing field? (Richardson and Polk), 81, 1:28
Patient relations: A little generosity creates a lot of good will (Schoenberg), 81, 10:21

S

SCUDDER ORATION ON TRAUMA

Verification: The pursuit of optimal trauma care (Mitchell), 81, 5:20

SOCIOECONOMICS

Dateline: Washington: Congress considers FDA reforms, 81, 5:7
Dateline: Washington: Congress passes 1997 budget, 81, 7:6
Dateline: Washington: PPRC appoints new executive director, 81, 3:7
Federal antitrust reform: Is relief for physicians on the way? (Lauderbaugh), 81, 1:32
Health care systems reform: 1995 state legislative wrap-up (Seward), 81, 3:41
New AMA chief calls for united front: "We physicians are all bound together": An interview with P. John Seward, MD (Breo), 81, 6:19
Socioeconomic workshop schedule set for 1996 (Clark), 81, 1:39

SURGEONS

ACS survey explores retirement issues (Miscall, Tompkins, Greenfield), 81, 12:18
Charles R. Drew: A doyen of American surgery (Organ), 81, 1:12
Despite all odds: How do we continue to practice good medicine? (Close), 81, 3:23
General surgeons needed in Burundi, 81, 3:59
George Washington Crile: Head and neck surgery pioneer (Shedd and DeLacure), 81, 11:26
New AMA chief calls for united front: "We physicians are all bound together": An interview with P. John Seward, MD (Breo), 81, 6:19
Nicholas Senn: Outrider of modern head and neck oncology (Shedd and DeLacure), 81, 8:19
An old surgeon finds new work (Finley), Part I, 81, 6:28; Part II, 81, 7:15
On World War II, battlefield surgery, and three wandering consultants (Couch), 81, 1:20

SURGERY

As I see it (Ebert), 81, 11:4; 12:4
Dateline: Washington: AHCPR issues booklet on surgery, 81, 4:7
Is "caring" cognitive? (Peabody), 81, 9:19
Keeping Current: Surgery text features new chapters on operative technique (Wilmore), 81, 9:41

Medical complications of antipersonnel land mines (Cobey), 81, 8:8
Organization forms for surgery of obesity, 81, 1:41
Patent claim invalidated, 81, 6:66
Statement on principles underlying perioperative responsibility, 81, 9:39
Surgical decision making and elderly patients (Eiseman), 81, 2:8
Work and service in Bangladesh: The medical needs are manifold and profound (Holmes), 81, 5:8
SURGICAL RESEARCH
FYI, 81, 1:48, 2:95, 4:52, 5:56, 6:72, 7:95, 8:48, 9:56, 10:56, 11:48, 12:86
1996 ACS Faculty Research Fellowships awarded, 81, 4:44
Surgical research clearinghouse, 81, 2:67
SURGICAL SPECIALTIES
Ten specialty boards report goals and achievements, 81, 12:46

T

TECHNOLOGY
Can surgical innovation survive? (McKneally), 81, 4:8
Course on ultrasound planned for general surgeons, 81, 3:53
Cybersurgeon: Advanced simulation technologies for surgical education (Satava), 81, 7:77
Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40
Suggestions for accreditation of surgeons who perform image-directed breast biopsies, 81, 9:37
TRANSPLANTATION
The gift of life: Ethical issues in organ transplantation (Childress), 81, 3:8
TRAUMA
Dateline: Washington: Clinton signs brain injury law, 81, 9:7
Dateline: Washington: President signs temporary health spending bill, 81, 3:6
Medical complications of antipersonnel land mines (Cobey), 81, 8:8
1997 Residents' Trauma Papers Competition, 81, 8:42
Prophylaxis against tetanus in wound management (Ross), 81, 5:42
Radiologic studies and cost-effectiveness in head injuries (Camins), 81, 8:16
Trauma and Critical Care—1997 scheduled, 81, 12:85
Trauma meeting scheduled for Boston in May, 81, 3:59
Trauma meetings calendar, 81, 2:91, 5:51, 6:62, 8:37, 9:52, 12:75
Verification: The pursuit of optimal trauma care (Mitchell), 81, 5:20
